Marker Tells Cemetery History

A project which required several months of research through old county records has been completed by the Ladies Frisco Cemetery Club and a historical marker telling the history of the Frisco Cemetery was erected this month.

The marker bears the history of the cemetery from the time it was organized by the people of Frisco in 1889 with land being donated by Ansel Cooper and

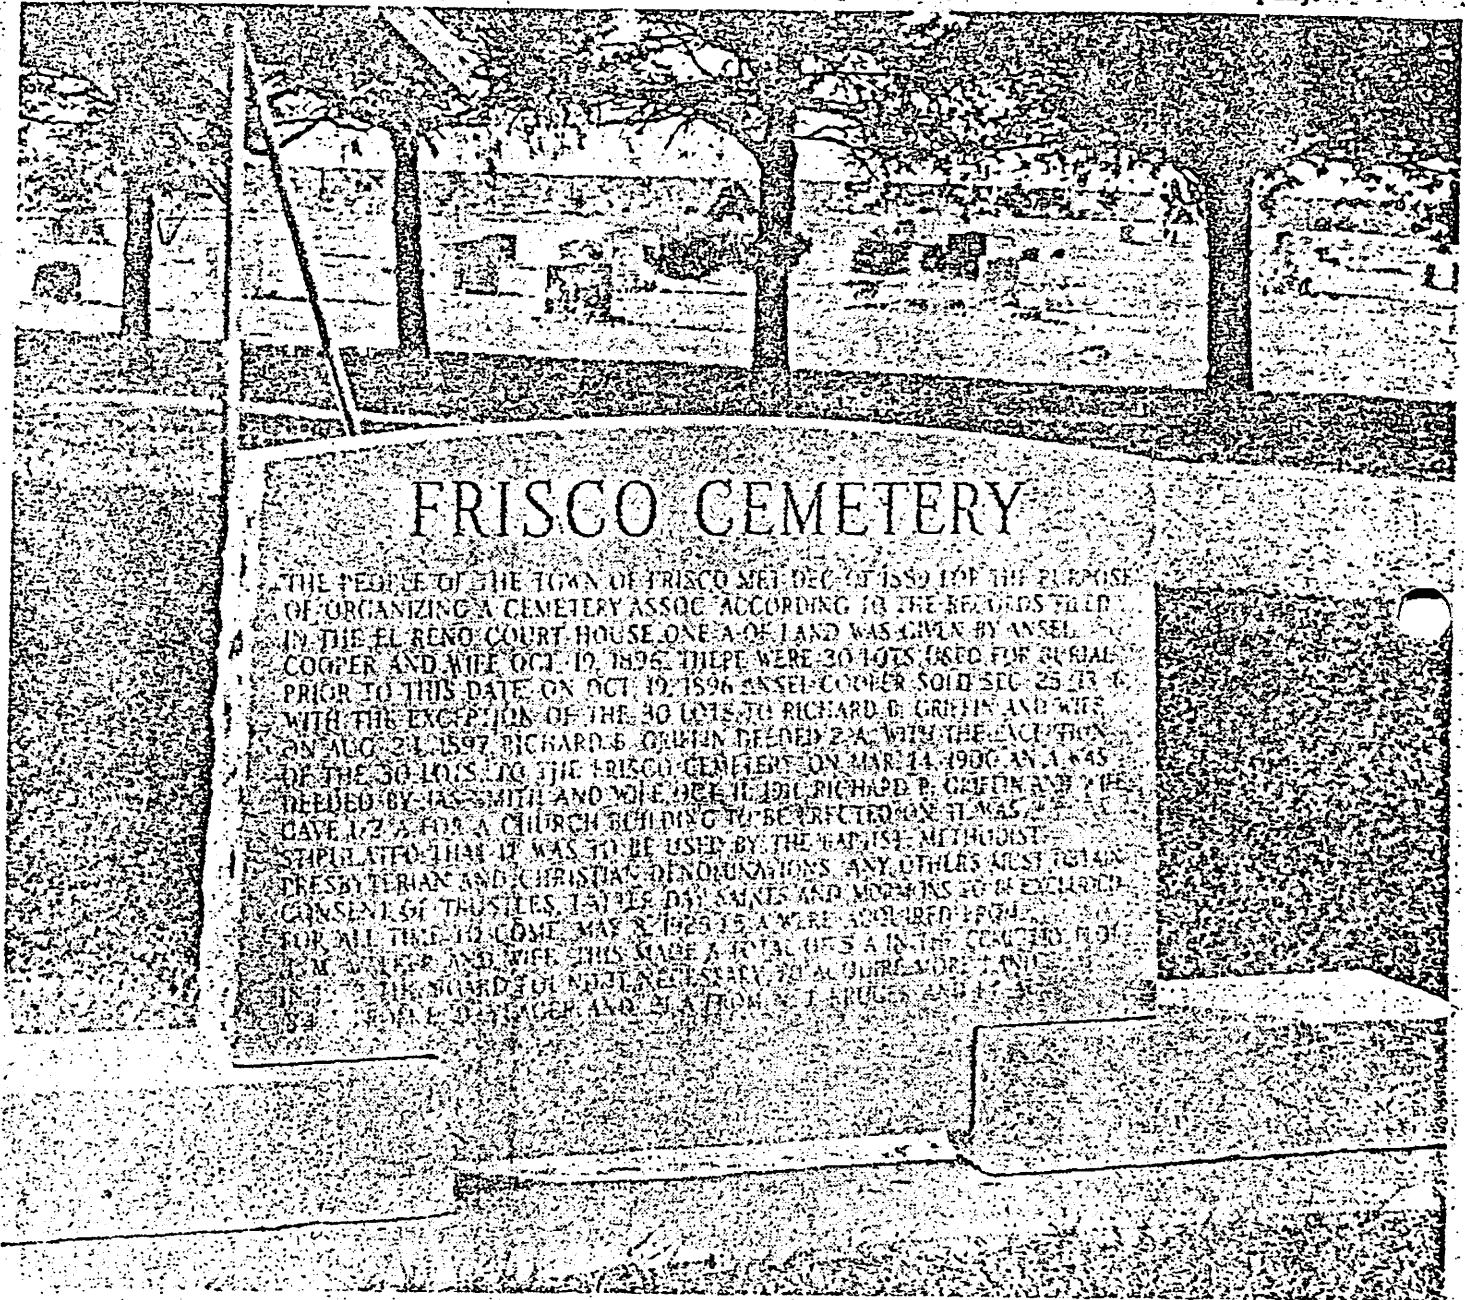

wife, Mrs. Ernest Schein, project chairman for the club, said this was the first official record of the cemetery, but the land had been used for burial prior to that date.

Research for the project was mostly done by Mrs. Schein and Mrs. Alva Griffin along with Frances Bremseth, county clerk, who Mrs. Schein said was a great help to them in finding old records.

The Ladies of the Frisco Cemetery Association was organized by Mrs. C. Allen in the spring of 1917. The purpose of the organization was to help in the appearance of the grounds, Mrs. Schein said. The current membership is 18 and they meet once a month.

There is also a men's cemetery association.

The granite marker was made at E. Reno monument company.

A HISTORICAL MARKER telling the story of the Frisco Cemetery, north of Yukon, was recently erected on the cemetery grounds. The monument was a project of the Ladies Frisco Cemetery Club.
