## Beecham association meeting set

Beecham Cemetery Association will hold its annual meeting May 2 in the educational building at the Canadian County fairgrounds. Attendees will include descendants of Nathan and Almira Beecham, plus families and relatives of others. The Beechams established the cemetery in 1891, one mile east of Highway 81 and eight miles north of El Reno.

The cemetery is a des-

ignated official Oklahoma Historical site.

Association President Fred Beecham said property maintenance and burial arrangements are managed by descendant volunteers.

Costs to maintain the cemetery are funded by contributions and interest earned from investments. There is no cost to identified descendants for burial in the cemetery. "Private ceme-

teries are pretty much a thing of the past," Beecham said.

The meeting, which begins at 1 p.m. will feature a silent auction again this year. Everyone is requested to bring an item or more that can be used for the auction. Suggested items can be homemade, antiques or collectibles.

Proceeds will benefit the Beecham Cemetery Fund.
